

**A PROCLAMATION OF THE BOULDER COUNTY BOARD OF COUNTY COMMISSIONERS SUPPORTING THE 30X30 CAMPAIGN TO PROTECT 30 PERCENT OF LANDS AND OCEAN BY 2030**

**WHEREAS**, the 30x30 campaign is a worldwide, science-based initiative to conserve at least 30 percent of the Earth's lands and ocean by the year 2030; and

**WHEREAS**, this campaign was launched to address our climate crisis and reverse the destruction of our wildlife, waters and natural places; and

**WHEREAS**, science-based research has found that conserving and restoring lands and waters is necessary to preserving the Earth's biodiversity and ecosystems and mitigating the impacts of climate change; and

**WHEREAS**, biodiversity loss and human encroachment upon wildlife habitat is increasing the risk of infectious diseases such as COVID-19, Lyme disease and SARS; and

**WHEREAS**, our natural places provide us with food supplies and clean drinking water, boost our economies, and offer us a wide range of health benefits; and

**WHEREAS**, wilderness, wildlife refuges, national conservation lands, monuments, open space and other conserved places provide access for hunting, fishing, hiking, biking, camping and other outdoor recreation pursuits that provide the opportunity for contemplation, restoration, rejuvenation and connection to the land; and

**WHEREAS**, permanently conserved private lands, including working ranches and farms, protect open spaces, support carbon sequestration, preserve threatened wildlife and help maintain our Colorado way of life; and

**WHEREAS**, every person, regardless of race, background or economic status, should have access to safe, clean and close-to-home opportunities to get outside in nature; and

**WHEREAS**, scientists are warning that protecting at least 30 percent of lands and water is the bare minimum we must achieve if we hope to stabilize the climate;

**NOW THEREFORE BE IT PROCLAIMED**, that we, the Boulder County Board of County Commissioners, establish our support for the 30x30 initiative and science-based, locally led efforts to conserve and restore at least 30 percent of lands and water by 2030; and

**BE IT FURTHER PROCLAIMED**, that we support efforts by Congress to champion this goal, such as the Thirty by Thirty Resolution to Save Nature, led by Senators Tom Udall and Michael Bennet, and Representatives Deb Haaland, Joe Neguse, Ted Lieu, Ruben Gallego and Ed Case; and

**BE IT FURTHER PROCLAIMED**, that we call upon Congress to advance its own initiatives as well as support and assist state and local efforts to achieve 30x30 goals.

**ADOPTED** on this 25th day of August, 2020.
