We are excited to announce that U.S. Senator John Hickenlooper will join us to discuss the importance of the climate provisions in the *Build Back Better Plan*. We will also be joined by Andrew Klooster, Certified Optical Gas Imaging Thermographer with Earthworks along with an impacted Colorado resident who will review the role of methane emissions in a rapidly changing climate.

**Please share this with your fellow elected officials!**

Sen. John Hickenlooper

[westernleaders.org](http://westernleaders.org) Western Leaders Network is a nonpartisan nonprofit organization of 450 local and tribal elected officials across the Interior West working to advance conservation initiatives and climate solutions.

[cc4ca.org](http://cc4ca.org) Colorado Communities for Climate Action is a coalition of 39 local governments across the state advocating for stronger state and federal climate policy.
