DEMOCRACY CHAMPIONS

— SPECIAL BRIEFING —

PROTECTING DEMOCRACY AND FREE AND FAIR ELECTIONS IN 2024

In 2024, the United States will hold its first presidential election since the 2020 race and the attempted overturning of results. Political division, disinformation, and distrust in the electoral process puts our country at risk for election subversion — overturning an election outcome by disrupting or manipulating the voting and certification process.

Join us and learn how you can take action to protect democratic elections in 2024
